Baby Washcloths and Afghan Squares: Almost a Dozen Knit Square Designs (Paperback)

By Lisa Carnahan

Annie's Attic, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Looking for a simple yet beautiful gift for that new one? Look no further than this Baby Blocks collection. This pattern includes instructions for 10 easy-knit blocks, each featuring a different textured pattern. Also included are instructions for a block with a slipped-stitch pattern; this block is worked 10 times, with each block using different colors for the stripes. Worked in a soft cotton yarn and sewn together, the 20 blocks create a lovely baby blanket. Knit individually, they work equally well as washcloths for bath time. The textured patterns are very geometric—diamonds, squares, basket weaves, circles, chevrons and more. I'm sure you'll enjoy the variety of stitch patterns as you work each 8-inch block. Special consideration was taken that the blocks do not have any lace holes or strands of yarn to catch little fingers or toes. So grab your yarn and needles and get started on this fun, portable and always interesting project!

Reviews

Good electronic book and valuable one. It is one of the most incredible publications we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Mrs. Bridgette Rau MD

It is in a single of the best pdf. Better than never, though I am quite late in starting reading this one. I realized this ebook from my dad and I encouraged this publication to understand.
