Scribner Book Company, 2017. Hardback. Condition: New. Language: English . Brand New Book. A collection including the last complete unpublished short stories by F. Scott Fitzgerald, the iconic American writer of *The Great Gatsby* who is more widely read today than ever. *I d Die For You* is a collection of the last remaining unpublished and uncollected short stories by F. Scott Fitzgerald, edited by Anne Margaret Daniel. Fitzgerald did not design the stories in *I d Die For You* as a collection. Most were submitted individually to major magazines during the 1930s and accepted for publication during Fitzgerald s lifetime, but were never printed. Some were written as movie scenarios and sent to studios or producers, but not filmed. Others are stories that could not be sold because their subject matter or style departed from what editors expected of Fitzgerald. They date from the earliest days of Fitzgerald s career to the last. They come from various sources, from libraries to private collections, including those of Fitzgerald s family. Readers will experience Fitzgerald writing about controversial topics, depicting young men and women who actually spoke and thought more as young men and women did, without censorship. Rather than permit changes and sanitizing by his contemporary editors, Fitzgerald preferred to let his work remain unpublished, even at a time when he was in great need of money and review attention. *I d Die For You*, the collection s title story, is drawn from Fitzgerald s stays in the mountains of North Carolina when his health, and that of his wife Zelda, was falling apart. With the addition of a Hollywood star and film crew to the Smoky Mountain lakes and pines, Fitzgerald brings in the cinematic world in which he would soon be living. Most of the stories printed here...
