*A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

Saddleback Educational Publishing, Inc., United States, 2012. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. Themes: Hi-Lo, Suicide, family dysfunction. This is a series for young adults who find conventional fiction irrelevant or too hard to read. The series takes an honest and hard-hitting approach to subject matter that many teens will identify with, such as self-abuse, family breakdown, suicide, and sexuality. At 25,000 to 35,000 words, the books are shorter than your average novel, but still look like a trade paperback. The clear, carefully chosen font is slightly larger than normal, and paragraphs are broken with a space. Themes Include: suicide, family dysfunction - Everyone wants to know why Emma tried to kill herself, but she s not telling. First she needs to confront her own past. And then her dad comes visiting.
