Understanding England's Cathedrals (Paperback)

By Dave Hennis

ARENA BOOKS, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The ancient cathedral was the pinnacle of medieval society's spiritual and cultural life employing the best designers, artists, craftsmen and materials that available money could buy. They developed into enclaves of worship, learning, hospitality, art, music, agriculture and medicine in an often chaotic and violent outside world. A change of religion, rulers and constitution has meant they have constantly been rebuilt and altered throughout their 1,700 year history. Many will be overwhelmed by their size and beauty, baffled by their layout and symbolism. They may well ask: Why were they built here and what is so special about the site? Who were the patrons and organizations that commissioned their building? How did they raise the finance to build them? What was the purpose of a cathedral and why were they so big? Where did the design ideas come from and who were the designers? How was it built and by whom? How has it changed over the years and is it still used today? This book aims to answer these and many other frequently asked questions. Overriding themes will cover English...

Reviews

This book might be worth a read, and far better than other. It is rally interesting through studying time period. I discovered this book from my i and dad suggested this ebook to find out.

-- **Isobel Bailey**

Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book i actually have go through within my own existence and could be he greatest ebook for at any time.
