Reviews

The very best book i actually read through. I have got read through and i am certain that i will likely to read through yet again yet again down the road. I realized this ebook from my dad and i suggested this book to learn.

WHAT HAVE YOU GOT TO LOSE?: THE GREAT WEIGHT DEBATE AND HOW TO DIET SUCCESSFULLY (PAPERBACK)

The Women s Press Ltd, United Kingdom, 2001. Paperback. Condition: New. Language: N/A. Brand New Book. For larger women who may want to be thinner but don t know how to achieve it, whose own experiences have shown them that diets do not work. This book examines the issue of health and weight and extrapolates the truth from the numerous claims that fatness, or thinness, is best. It demolishes false claims on both sides from a basis of scientific research. The book also takes an analytical look at all methods of weight loss and their efficacy and offers a way out to those women who find their body fat is a prison. The author concludes that if you are happy being fat then your well-being and health should be optimized, and if you re unhappy then you do not have to stay fat.
