Reviews

This pdf is indeed gripping and exciting. It is written in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Alayna Kuphal)

THE SINGING, PLAYING KINDERGARTEN

Waldorf Early Childhood Association North America. Paperback. Book Condition: new. BRAND NEW, The Singing, Playing Kindergarten, Daniel Udo de Haes, Barbara Mees, Simple singing and gesture games have long been a core element of Steiner-Waldorf early years education. This thought-provoking book explores such games in depth, considering their nature and significance. The deep esoteric meaning of these seemingly simple games is brought to light, and the author argues convincingly for the importance of a gradual and healthy awakening from the 'childhood dream'. The book includes delightful examples from the author's Dutch heritage, many newly translated into English.
