RELATIONSHIP ADVICE: CHANGE YOUR PERSPECTIVE (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.
We get busy and focus on the other person. We can point out everything wrong with another person. We can spend most of our lives blaming someone else. We can believe everything outside of us is the problem. We rarely pay attention to the part we play and how it has a cause and effect on the end result. By changing our perspective, we can see things differently. What kind of obstacles do we create in relationships? We can make better choices and improve our relationships. This has a new book cover, so please don't download again if you've already read it. Thank you.
