Dimensions: 11.0in. x 8.5in. x 0.5in.Clearing the Quality Management (QM) Certification will not automatically lead you to a job. However a Certification with some project experience will certainly open a lot of doors for you. The consultants who will benefit the most from a certification are the ones with typically less than 2 years project experience. This is not to say that consultants with higher experience will not benefit, but at that level, having a certification matters much less. So if you have little or no SAP- QM experience, you should get yourself certified, get some project experience, and then the whole of the SAP World open for you to explore. Helping you with the first step on you ladder to success is this book. Some unique features of this Book: - There is NO Other material in the market for the SAP Quality Management (QM) ERP 6. 0 Certification exam. - The authors have themselves cleared the exam. - All questions are multiple choice format, similar the questions you will get in the actual exam. - Nearly 200 authentic questions, testing the...
