The Incredible Adventures of an Intergalactic Family (and One Old Man from Earth)

By Anthony T Russo

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Carmine Carstenson (better known as CC by his friends and Pop to his grandchildren) is a quiet man who had an outstanding career with the FBI. Three years after his retirement CCs life was turned upside down when his wife, Katie, won a 4 day/3 night all-expense paid vacation to Bermuda. It was here he met two little boys with superior intelligence, strange powers and the ability to transform themselves into any creature imaginable. They come from a world outside our universe named Galaxstonia. The children needed his help to participate in an intergalactic adventure to hunt for a small rock containing a deadly and devastating organism. This small rock threatened the existence of Earth and potentially the universes that surround us and time is running out. The more CC is involved with the Galaxstonians the more he is thrust into learning how to time travel, use time warps, and visit strange worlds without the use of a space ship. He encounters creatures and inhabitants far different than anything he knows in galaxies he never knew...
