Reviews

This is the finest publication we have read through right up until now. Better than never, though I am quite late in starting to read this one. It has been written in a remarkably easy way in fact it is only after I finished reading through this book that I basically altered me, affected the way I think.

(Dr. Gabriella Hayes)

THE FISHING REELS OF JULIUS VOM HOFE 1882-1939

2017. Soft Cover. Condition: New. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. Julius vom Hofe has always been overshadowed by his younger brother Edward vom Hofe. Yet he produced fine quality fishing reels from 1860, when he went into partnership with his father as Frederick vom Hofe & Son, up to 1882, when he struck out on his own, up to his passing in 1907. Taking over the reins, Julius vom Hofe, Jr. continued the tradition of excellence until his passing in 1939. Over the span of 57 years, the firm produced quality fishing reels from \$1.00 to \$50.00 and everything in between. All of these reels were sold wholesale by a wide variety of retailers and trade houses. For the first time, ORCA Librarian (Emeritus) Donald P. Champion brings together catalog references to Julius vom Hofe reels from nearly 100 retailers dating from 1883 to 1937. Spanning over 275 pages, these references chronicle the history of JVH reels, since the firm manufactured exclusively for retailers and never sold directly to the public. Also included in this section are two full JVH catalogs. In addition, ORCA Honorary Life Member Dr. Todd E.A. Larson has penned a very detailed biography of Julius vom Hofe and his son, as well as put together a stunning gallery featuring over 150 different JVH reels, from presentation reels to the most common, all reproduced in full color. Appendices, including over 50+ JVH advertisements, all JVH patents, and an article on JVH patent reels manufactured by other makers, round out this astonishing book. This book is ideal for collectors, dealers, and anyone interested in fishing reels and fishing history. Julius vom Hofe reels are among the best..
