Spiderwize, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The poems in The Playground of Life are mostly from personal experiences on reflection. It analyses life and relationships, especially, love. As some of the poems are written at different periods in the author's life the tone and mood changes to reflect that time and situation. Furthermore, because S.R.Lore grew up with a long-term health condition, she started exploring the meaning of life from a spiritual aspect from an early age. The poems also relate to the conflicted role that one has with oneself when it comes to spiritual matters which I call the war between the ego and the divine self .
