THE H.UNGER GAMES GONE WILD A PARODY (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.REVIEW EXCERPTS FROM JOHN GREEN, AMAZON TOP 1000 REVIEWER, VINE VOICE: .this was funny! And I don t just mean heh, got in a good one funny, more like lol- they nailed it funny.this is a YA parody there s no actual shagging going on, but.it s pretty comical! .some very witty satire here.it ll put a smile on your face. DESCRIPTION: Warning: Rude references to breasts and masturbation. (Not that parents who let their kids read books as violent as The Hunger Games would care.) Phatness Evermean finds herself volunteering for the Games on Infinite Justice Day (slogan: Sticking It To The Revolting Districts For Infinity) -- only to be partnered with Kneader Malarky. (You could almost believe he s a decent human being, if there was such a thing in PanAm.) Phatness trusts no one except perhaps, her hunting partner, Windy, and her Games stylist, Sinner. (Where would a girl be if she didn t have a stylist she could trust?) Kneader turns out to be a boy to die for -- but the one person who really needs to understand this, hasn t got a clue. But, that Malarky boy is a clever one. He just may win Phatness s companionship.one way or another. (Watch out Phatness, you may be outmatched!) Phatness exudes a busty appeal heretofore unknown to the Capitol District, adding an (ahem) entirely new dimension to the H. Unger Games (named for the persnickety inventor of the Games, Helix Unger). There s no need for real arrows when cupid s are so much more accurate and just as deadly. The best Hunger Games parody out there.though that s not saying much, Effic ljiot.,
