Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Manifesting your dreams and vision isn't about sticking to the plans or filling up your calendar, it's about who are you being called to BECOME? Knowing how you want to feel and be, is the first step to intuitive planning for life, business, and dreams. But faking it till you make it doesn't cut it. In fact, it hurts you. Especially if you're sensitive, intuitive, or spiritually open. Even more to the point, the sensitive or intuitive Goddess who is trying to grow or birth a business themselves. Planning for dreams isn't a linear process, it's an intuitive one! This is why so many other programs and planners just don't work the way you want them to, or at least only work when you're in active mode. The act of creating change in our lives is a rite of CREATION, not simply planning. As we create, we are guided to become more so we can make that birthing happen. We are called to be more closely aligned to our Divine self, more intuitively connected, more open. No other planning system will help you through this process of Spiritual Being AND knocking your goals out of the park. What would your business and life look and feel like if they were rooted in Divine Wisdom, genius, and creativity? The Dreamcasting planner helps you build your joyful devotion to your process of Becoming: short- and long-term dreams in life and business, personal and spiritual growth, and holistic well-being through intuitive and creative processes, mind mapping, Dreamcasting meditations and worksheets, and manifestation sheets for every level of planning. It also has space to reflect on what...
