Createspace, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.This is very different, to be writing an art book on myself. I have published several artist featured books, and have written about some incredibly talented people. I have also had the pleasure to meet literally hundreds of artists in the last few months, and have seen a broad range of artistic styles and perspectives. After seeing all of this amazing art, it began to get my inspiration flowing, to express my views , if you will, of life as I see it, both from the external world, as well as the dark reaches of my mind. Mind you, Picasso I am not. But, what I do offer is a chance to not only see things from my point of view, but also show you that with the right passion and inspiration, anyone can paint. And, it has a true way of instilling this inner calm in us, to be able to release the energy that flows through us, but it a creative, and artistic, way. During the month of July 2015, I spent one week creating the following works of art , as a way to express and release the flow within. So, I hope you enjoy my take on being a painter.
