JAKE 2000: MAGNIFICENT MUTANTS/KIDS TO HEROES (PAPERBACK)

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Jake 2000 lives on the planet Chaos. He is the 2000th Jake to ferry eight-year-old dead kids across the Erebus to Shades, the land of the dead. His life is pretty routine. A batch of dead kids shows up and it s Jake s job to get them safely offshore and across the river. Unfortunately, Jake s side of the river is either erupting or collapsing. The sky spits fire. There are trap-spiders and Darts as big as 747s. On the river, there are giant slugs big enough to swallow Jake s boat, and pirates out body-snatching. Two things happen that change his life. He s chosen by the Mummings- Gloria, and he meets Kate. He will have to do what no one has ever done before--get into the land of the dead and out again alive. If he manages that, then he and Kate have only one more small thing to do--return control of the universe to the Mummings, the rightful guardians.
