Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

But mdng all plans, and schemes, and motions, Some strongly plead the following notions: --To forward this our union bustle Let all that s young or strong in muscle, Be roused to shake each limb and finger, And not around these shores to linger; But? search the states, and run all chances, From Maine to far beyond Arkansas: There s ploughing, felling, fencing, digging, But here to live requires low begging. In ourfar-fam d and blest interior, No Boss is known, nor proud superior; Nor cold nor hunger ever pinches, But all live there like noble princes. Here, all is forc d, and quite extraneous: There, food and clothes grow up spontaneous Here we who live by shuttle clicking, All fast in mis ry s slough are sticking; And how our case Fate shall dispose it, No earthly shape among us knows it. Thus down.life s stream altho we re drifting, And oft the piteous signal...
