Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Since childhood days he had been haunted by a Wave. The Wave invariably came up behind him, stealthily, from what seemed interminable distance. He never met it. It overtook him from the rear. The horizon hid it till it rose. There were stages in its history, moreover, and in the effect it produced upon his early mind. Usually he woke up the moment he realised...
