

The 50 States (Hardback)

By -

Grey House Publishing Inc, United States, 2013. Hardback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. The most comprehensive and most up-to-date one-volume reference work available on U.S. states. This volume is designed to serve the needs of those seeking basic information on individual states and the District of Columbia. Each chapter opens with a profile listing of key facts on population, geography, history and other points of interest. This section is followed by a brief state history, state timeline, and notes for further study. This new third edition contains many new features: New sortable comparative ranking tables allow users to sort and rank states by hundreds of different criteria, all free online with your print purchase. Each state chapter is now supplemented with informative Rankings. Here, users can find out which states are the happiest, have the best and worst living standards, are the most entrepreneurial, are the best or worst to raise a family, have the best and worst job growth and so much more. An amazing collection of interesting and useful state data. The chapters are arranged alphabetically and contain lists of all the counties in the state, including their population and geographic area. Each...
