Minoan Extractions: A Photographic Journey 2009-2016: Sissi Archaeological Project (Paperback)

By Gavin McGuire

ARCHAEOPRESS, United Kingdom, 2017. Paperback. Condition: New. Bilingual. Language: English . Brand New Book. Archaeologist and award-winning photographer Gavin McGuire s involvement with the Sissi Archaeological Project, where he conducted a seven year photographic study of the Bronze Age Minoan excavations under the auspices of the Belgian School in Athens, Universite Catholique de Louvain, offered an extraordinary opportunity to capture moments of human interaction during excavations as they interconnected with an ancient Minoan culture, stretching back millennia (2600-1200 BC). With the Sissi Photography Project, at a unique coastal landscape four kilometres from Malia Palace in Crete, McGuire follows a proud photographic tradition that is now facing yet another major technological change - from digital to virtual, from handheld cameras to drones and to live excavation access. It is also the age of the smartphone - easy for anyone to use, producing high quality images that regularly engages a global general audience. McGuire s approach revolves around being at the right place and at the right fleeting moment, making images that highlight motion and emotion from the more than 80 ` players on the archaeological stage for the excavation season during each July-August. There are images of scientists at work - archaeologists,...
