

The Changing Face of the Past: An Introduction to Western Historiography (Paperback)

By -

Cognella Academic Publishing, United States, 2013. Paperback. Condition: New. Revised First ed.. Language: English . Brand New Book ***** Print on Demand *****.Thoughtful and scholarly, yet accessible, *The Changing Face of the Past: An Introduction to Western Historiography* provides readers with an overview of the changing approaches to understanding the past in the western world over the last 2,500 years. Arguing that it is indispensable for students of history to have a familiarity with the history of their discipline, it demonstrates how these precursors were essential in forming our present views on how history should be composed. Beginning with the earliest historical thought and ending with the twentieth century the book explores diverse voices and perspectives on the past through a combination of expository essays by the author and carefully selected primary-source selections that reflect the essays most important themes. The opening chapter addresses the basic concepts of history, historians, and historiography, providing definitions of key terms and critical information on the role and conventions of historians. Subsequent chapters survey periods of history chronologically, adding philosophical context, and exploring the significance of varying viewpoints from the writers of the time. These chapters include: Beginnings: The Invention of History; Roman History;...
