

The Maneaters of Tsavo and Other East African Adventures. by: J.H. Patterson and Frederick Courteney Selous -/ Illustrations (Paperback)

Book Review

This book will be worth getting. Better than never, though I am quite late in starting to read this one. It has been written in an extremely basic way which is only right after I finished reading this book through which actually altered me, altered the way I believe.
(Mr. Enrico Lesch)
