Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 2017 RONE Award winner. One devastating lie set the course for Sophie Lancaster's life. Can one earth-shattering phone call change it? Jackson Cooper certainly hopes it won't—at least not permanently. For the past twenty-one years, Sophie has avoided coming home and now has the nerve to show her face, purely for the reading of her grandfather's will—that thought alone is enough to have Jackson grinding his teeth in molar-cracking frustration. But Grandpa Ray's final request, a life-changing challenge to save the family's resort, pairs Jackson with this woman who makes his blood boil in more ways than one. With Jackson's vow to honor his dear friend and Sophie's promise to prove her worthiness to a grandfather she barely remembers, they set off on a yearlong adventure. Can they learn to work and live together, forging a new bond built on respect and a common goal? Can they rely on each other without giving into their growing desires? Just as the sizzle of attraction between them heats up, the challenge becomes a dangerous and deadly game when outside forces threaten their resort, their budding relationship, and their very lives. With their future hanging in the balance, will they survive the challenge?.
