Book Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Manufacturing Sectors in sub Sahara | No country in the world can survive in isolation, trade therefore is one of the major economic activities that promote welfare. Exchange rate however has been fluctuating due to the breakdown of Bretton Wood system in 1973. This has since been an hinderance to trade both in developed and developing countries. A lot of panel studies have provided empirical evidence on the effects of exchange rate volatility on..
