Excerpt from Rural Schoolhouses and Grounds In 1911 the National Council of Education appointed a committee on health problems in education. From the time of its appointment this committee has worked in cooperation with a special committee of the American Medical Association, and the fund available for the work of these health committees has consisted of small appropriations from the National Education Association and an equal amount appropriated each year by the American Medical Association. At the meeting of the department of superintendence of the National Education Association, held in St. Louis in February, 1912, a general report on health problems in the schools of the United States was presented and discussed. At the meeting of the National Education Association in Chicago, July, 1912, the topic Sanitation of Rural Schools was selected for the two committees mentioned for their special study.
