What you will discover in this book: What your doctor never told you about Tietzes syndrome: no more complicated doctor talk. I break the symptoms, the disease, and what causes it down for you in laymans terms. I will explain to you exactly what Tietzes syndrome is and exactly what your body is going through right now. You will gain a complete understanding of what you is experiencing, and from now on, when you talk to your doctor. . . you will know exactly what he is talking about so that you can make a more informed decision about your health. Which type of Tietzes syndrome related disorder do you have In this section, I will walk you through each specific type of Tietzes syndrome so that you can narrow down the core issues you are facing and the risks involved. Did you know there are 6 main symptoms Find out what they are. Skip all the expensive and painful tests: sick of shelling out for expensive tests that you cant afford and trying medications that dont relieve the pain Dont waste hundreds (sometimes thousands) of dollars on useless (and sometimes painful) tests that dont even give very accurate results. Many doctors will start out with the most inaccurate tests and then work their way up to the most accurate to milk as much money out of you as they can. Did you know that doctors frequently own shares in radiology businesses Every time they sent a patient for an x-ray, MRI, or CT-scan, they get a cut. This isnt helping you and all its doing for you is sucking money out of your bank account. Here I will reveal each tests and...
