[In stock in Australia, for immediate delivery] The full story in Quick Modern [UK] English - for a fast-paced read! Cursed be the hands that formed you! The full story in quick modern English for a fast-paced, full-colour read! It was the dawn of modern science and technology. Anything seemed possible - even the creation of life itself. Victor Frankenstein becomes obsessed with this idea and works relentlessly to prove his theories; but the glory he imagined becomes a living nightmare - not only for him, but for his friends and family too. Mary Shelley's gothic horror story was first published in 1818 and has been the inspiration behind numerous stage productions and films - many of which strayed a long way from her original masterpiece. Here Classical Comics presents a full-colour graphic novel that is true to this classic tale, bringing this fantastic story - deals with such timeless subjects as alienation, empathy and understanding beyond appearance - to life!
