House of Rosenorn, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As a female sheriff in a small town, Brett Briggs faces enough obstacles turning complacent good ol boys into a top-notch police force without the added insult of a vigilante apprehending her criminals. Her prime suspect? Kristos Kilsgaard, the sexy river guide who has been open in his desire to move her away from her badge and into his bed. In his former position as royal guard, Kristos once failed a woman he cared for and as punishment was banned from his home on one of Saturn's moons. He vows not to make the same mistake with Brett and uses his superpowers to protect her, no matter the foe. Or the cost. But Brett didn't become sheriff by letting a man take care of her, and although the hot-as-hell Kristos is persuasive, she's not going to start now-even after burning it up between the sheets with him. When her town is threatened, they cry out for a hero and she sets out to prove to everyone, Kristos included, that she's the woman for the job.
