HOW TO LEARN AND MEMORIZE GERMAN VOCABULARY: . USING A MEMORY PALACE SPECIFICALLY DESIGNED FOR THE GERMAN LANGUAGE (AND ADAPTABLE TO MANY OTHER LANGUAGES TOO) (PAPERBACK)

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. How to Memorize German Vocabulary . Using a Memory Palace Specifically Designed for the German Language (and adaptable to many other languages too) If you d like to improve your ability to learn the German language by as much as 100 , 200 , even 300 (or more) . using simple memory techniques that you can learn in 15-20 minutes (or less), then this may be the most important book you will ever read. Believe it or not, it doesn t matter if you have a good memory or not. The information in this eBook will teach you: - Why memory is like a bicycle everyone can ride (with some minor personal adjustments). - The real reason why no one should ever be squeamish about memorization or learning a language. - Why and how some of the most famous memory skills are applicable to learning any language, especially German. - How to create a 26 letter location memory system based on the alphabet English speakers share with the Germans. - Unique techniques that will have you literally tuning in on the German language. - How to separate German words in the most effective manner for memorization. - A simple strategy for memorizing the male, neuter and feminine genders (a process that some people consider the ultimate nightmare of language learning.) - Two secret ways to use relaxation to aid the memorization process. These two methods alone are worth the price of this book because they will literally eliminate stress from your body as you work on learning German. - And much, much more . These techniques have been used by real language learners, most of whom previously considered themselves owners of...
