RETHINKING ASSESSMENT IN HIGHER EDUCATION: LEARNING FOR THE LONGER TERM

Routledge, UK, 2007. Hardcover. Condition: New. First Edition. 224 Pages. Assessment is a value-laden activity surrounded by debates about academic standards, preparing students for employment, measuring quality and providing incentives. There is substantial evidence that assessment, rather than teaching, has the major influence on students' learning. It directs attention to what is important and acts as an incentive for study. This book revisits assessment in higher education, examining it from the point of view of what assessment does and can..
