Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

(Trent Monahan)

TRILOGY

La Alameda Press. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.4in. x 6.1in. x 0.6in. From the late nineteen-fifties through the early seventies, Pentti Saarikoski (1937-83) was a spokesman for what European historians now refer to as the Generation of 68. He was a highly literate and iconoclastic radical in a buffer zone country whose political climate in the Cold War years presented far greater ambiguities than that of the major Western European states. He was, for a time, a youth idol--the popular press referred to him as The Blond Beatle of the North--whose often scandalous public behavior and pronouncements, combined with his introduction of uninhibited Finnish vernacular into the language of literature (particularly in his translations of *Ulysses* and *The Catcher in the Rye*), shocked his elders in much the same way that William S. Burroughs and Allen Ginsberg jolted the establishment in the United States. The titles of some of his books from that period--*Out Loud*, *The Red Flags*, *I Look Out Over Stalins Head*--indicate his search for a public and engag mode of poetry. . . . In *Trilogy*, Saarikoski takes an extended, amused, bemused, and unpretentious look at some of the thousand things previously sidestepped or unnoticed: the chores of dailiness; his both familiar and unfamiliar surroundings; memories thought long buried . . . Saarikoski often spoke of his conviction that poetry and walking were closely related activities; he also said: What I prefer to surround myself with is accidental, not intended, not premeditated, just left there, forgotten, lying around on the table--well use what comes to hand. I have found his *Trilogy* a great book to leave lying around on my table. Very often, when it has come to hand, the way it bears witness to the worlds signs has shifted them into a new...
