

Law and Society in Contemporary Cuba (Hardback)

By Debra Evenson

Kluwer Law International, Netherlands, 2003. Hardback. Condition: New. 2nd edition. Language: English . Brand New Book ***** Print on Demand *****. Every society must find a way to resolve the tension between individual interests and the common good. Today, poorer nations bear the added burden of sagging economies and colossal debt, hardly a sound basis for sustaining a semblance of civil rights or social justice. Cuba stands apart, as a small and poor country, which nevertheless has established standards of access to education, health care and housing that are among the highest in the world. An understanding of the legal system that has fostered and continues to protect this singular achievement offers inarguably important lessons for the global legal and policy-making community. Debra Evenson's eloquent analysis of Cuban law and society first appeared in 1994, and remains the only detailed, first-hand treatment of the subject. This thoroughly revised second edition incorporates the many changes that have taken place in Cuba during the last decade. The author finds a regime still unalterably committed to preserving fundamental principles of socialism, even as it struggles against enormous odds to maintain a secure place in the global economy. As it analyzes the substantive...

Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.

-- **Wilbert Connelly**

It in just one of my personal favorite book. I was able to comprehended every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
