FORTRESS FRONTIER (PAPERBACK)

Headline Publishing Group, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. The Great Reawakening did not come quietly. Suddenly people from all corners of the globe began to develop terrifying powers - summoning fire, manipulating earth, opening portals and decimating flesh. Overnight the rules had changed. but not for everyone. Alan Bookbinder might be a Colonel in the US Army, but in his heart he knows he's just a desk jockey, a clerk with a silver eagle on his jacket. But one morning he is woken by a terrible nightmare and overcome by an ominous drowning sensation. Something is very, very wrong. Forced into working for the Supernatural Operations Corps in a new and dangerous world, Bookbinder's only hope of finding a way back to his family will mean teaming up with former SOC operator and public enemy number one: Oscar Britton. They will have to put everything on the line if they are to save thousands of soldiers trapped inside a frontier fortress on the brink of destruction, and show the people back home the stark realities of a war that threatens to wipe out everything they're trying to protect.
