Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Holland as Seen by an American I am told, sir, that you are going to travel, and that you begin by Holland, wrote Lord Chesterfield, in the first of his charming Letters to His Son. He evidently approved of his son s intention to enter the Continent of Europe through this natural gateway, and succeeding generations have placed their stamp of approval upon this beginning for the Grand Tour by gladly following it. For purely practical reasons, Holland is the ideal starting point for a thorough visit of Europe; it is almost the very centre of gravity of the Continent, its railroads reach out in all directions to carry the tourist into adjacent or far-away lands, and the natural desire to see again its many charms can be gratified by the necessary return for embarkation on the home-bound steamer. In thinking of such a trip, ghosts of the long ago come unbidden before the mind of the traveler. Flitting by he sees young Oliver Goldsmith, knowing nothing of Dutch, but bent on teaching the Dutch English, returning from his fruitless efforts penniless, with a flute as his capital and but little more as his baggage. Then comes Gibbon, as yet a youth, back from his tour, the Fall and Decline unthought of, hurrying, as he says with regret, through Holland - that monument of freedom and industry. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
