Premier Technologies, Inc., United States, 2012. Paperback. Book Condition: New. Revised with New Cover ed.. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.PENTAGON S HAMMER is played out during a twelve day global event involving the United States, North Korea, India, Pakistan, the Pacific Rim, and, on a peripheral scale, Cuba, China, and Russia. The stage was set with 9/11 on the New York trade center, when Islamic extremists successfully carried out the worst terrorist attack on U.S. soil. Years later, following the outsourcing of critical and sensitive programs by the defense department, vital information for the NSA s most critical, and highly classified satellite system, the ASATs (attack satellites), falls into the hands of the adversary. The adversary, HASAN HAMMAD, principal Jihad antagonist to the Unites States and the free world, by manipulating critical satellites is able to puncture the U.S. defense shield. The earliest indication to the breach is detected by TRACY BAUER, NSA Intel strategist. The protagonist, ALEX BAUER, long time defense analyst and design engineer with DOD and BMO (Ballistics Missiles Office), comes across classified information on EMP and its inherited vulnerability. Whereas EMP, electromagnetic pulsing, is a highly sophisticated process generated by an atomic explosion, it can also be set off through a simple and inexpensive trigger device. What makes it even more detrimental, this science and technology has been hidden from the public eyes since the inception of the atomic bomb. Through vital intelligence leaks and organizational compromises created by current economic conditions, however, North Korea, Pakistan, Iran, and the Jihad have gained knowledge for this once closely guarded secret. The antagonist, manipulating the U.S. defense grid, is setting off a chain of events culminating in a series of confrontations. Our defense and intelligence organizations become intricately...
