

Silent Echo (Paperback)

By J. R. Rain

Amazon Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Not much could drag Jim Booker out of a peaceful, if lonely, retirement and back to late nights, crime scenes, and chases. Jim Booker is done with detective work and would just like to enjoy a cup of coffee on a sunny day. But when an old friend shows up with a case about an old flame, Booker can't say no. What starts as a missing persons case soon delivers more than he bargained for, and when Booker's own past offers clues, it's clear that no one else can solve this mystery. But there's a catch: Booker was given six months to live eight months ago. J.R. Rain shows us that when it seems there's nothing left to live for, there's also nothing left to lose. His characters will take a chance on danger, doubt, even an unlikely romance--as long as they get a cup of coffee first.
