Createspace, United States, 2014. Paperback. Book Condition: New. 276 x 214 mm. Language: English . Brand New Book ***** Print on Demand *****.Although this book is intended to be read by everyone, the primary objective of the Spiritual Journeys Program is to provide a very practical and proven methodology for trained Hypnotherapists to significantly accelerate the spiritual development of their clients, and to then guide their clients to vividly experience and explore in detail their own personal spiritual and soul-level experiences. A secondary objective is to provide specific real-world examples of the type of spiritual information you can learn about yourself as a client if you decide to begin your own Spiritual Journeys sessions. It is not a do-it-yourself program for those not trained in hypnotic techniques. The Spiritual Journeys Program always begins with three Journeys foundational and necessary individual session that will support the processes of all subsequent Journeys. In these three initial sessions, you will learn to establish a conscious two-way conversational dialog with your own Higher Self and with your personal Spirit Guide. Once this basic foundation has been established, you are well-prepared to begin safely exploring the higher dimensional spiritual realms in one or more of three optional paths of investigation. Journeys 4-6 focus on stepping into your...
