

Suicide Because of Autism (Paperback)

By Travis Edward Breeding

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this book Travis discusses the relationship between autism and suicide. Autism does not cause suicide but it can lead to situations in a person s life that might cause them to become suicidal out of loneliness or social isolation. It may be hard for some with autism to ask for help because they do not have the social skills to connect with others so someone else might know that they need help. People with autism have an increased risk of suicide due to their lack of social skills. I know many people with autism who have attempted suicide. It is important to recognize the symptoms in someone with autism and get them the help they need immediately. Sometimes all people with autism will need is a listening ear to understand them and let them know that they are not alone. I have always desired to be neurotypical but that is impossible. I sometimes hear voices telling me I should self-harm or hurt myself because I am not neurotypical and I have autism. Those voices are very loud and they...
