Reviews

Extremely helpful to all category of individuals. I have got go through and that i am confident that i will likely to read through once again again later on. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Nikita Herzog)

FROM FARMS TO PHARMA: A TROUBLESHOOTER LOOKS BACK

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, From Farms to Pharma: A Troubleshooter Looks Back, Ron Stark, Patients taking medicines and doctors prescribing them must be puzzled by the hail of criticism that has descended on drug companies in the last few years. But it shouldn't be overlooked that these companies have contributed enormously to healthcare over many years. Ron Stark looks back over a lifetime spent in medical research - much of it as a troubleshooter in pharma. One of his stories from behind the scenes relates to a small, young and enthusiastic team who are heading for crunch time. Having taken on a challenge that has defeated academics and clinicians, they're searching for a treatment that will stop patients with lung disease feeling short of breath. An array of unlikely characters and unexpected events all contributed to a nail-biting finish and the final outcome. A book about real pharma written by a physician who has actually worked there! From Farms to Pharma brings to light some amazing and unusual individuals who are committed to finding remedies for maladies. This book is aimed at a broad audience with varying amounts of medical knowledge and it will appeal to anyone with an interest in the human side of the pharmaceutical industry.
