Most people can name some famous artists and recognize their best-known works. But what s behind all that painting, drawing, and sculpting? What was Leonardo da Vinci s snack of choice while he painted Mona Lisa s mysterious smile? Why did Georgia O Keeffe find bones so appealing? Who called Diego Rivera Frog-Face ? And what is it about artists that makes both their work and their lives so fascinating--to themselves, to their curious neighbors, and to all of us? This book presents the humor and the tragedy in twenty artists lives as no biography has done before.
