

Present Shock: When Everything Happens Now

By Douglas Rushkoff

Current Trade. Paperback. Condition: New. 304 pages. Dimensions: 7.9in. x 5.3in. x 1.0in. People spent the twentieth century obsessed with the future. We created technologies that would help connect us faster, gather news, map the planet, and compile knowledge. We strove for an instantaneous network where time and space could be compressed. Well, the futures arrived. We live in a continuous now enabled by Twitter, email, and a so-called real-time technological shift. Yet this now is an elusive goal that we can never quite reach. And the dissonance between our digital selves and our analog bodies has thrown us into a new state of anxiety: present shock. Douglas Rushkoff weaves together seemingly disparate events and trends into a rich, nuanced portrait of how life in the eternal present has affected our biology, behavior, politics, and culture. Invaluable. The New York Times This is a wondrously thought-provoking book. Walter Isaacson A sobering wake-up call to collectively reexamine our relationship with time before we are blindsided by an unwelcome future. Booklist This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This pdf is indeed gripping and exciting. It is written in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Alayna Kuphal**

Here is the very best book I have studied until now. It is really fascinating through looking at periods of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
