University of Hawai i Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Literature is an important vehicle to further knowledge of other cultures, and English translations of Okinawan literary works have had a major impact on the field of Okinawan studies. Disputes between the United States and Japanese governments over construction of a new marine airbase at Henoko have led to the resignation of Japan s prime minister, the election of an anti-base governor, and repeated protests. *Islands of Protest* offers a compelling entree into a complex culture, one marked by wartime...
