AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Life is a game of tug war. Where at birth you are given one end of a rope, while God holds the other. During the course of life, people and personal obstacles is like a pair of sharp scissors standing in the middle of that rope waiting to cut. Inspire Me was written with the mission to act as a encouraging foot stool, that ll allow you to reach beyond your personal break. Rather your break in the rope is the idea of losing your job, a battle with drugs, or just life in general you must be inspired. Inspiration is like a seed that God plants around the world, that doesn t require you to be rich or famous to enjoy. Each time something or someone touches your life, its just another inspirational seed being planted within you, but its up to YOU to apply the proper care that ll allow that seed to blossom. Losing my grandfather seemed to be the most devastating time of my life, but becoming more mature in Christ, I now realize that it was simply just an inspirational seed planted deep within my heart. The pain of losing my grandfather enabled me to connect with others that too feel as if their light is starting to dim. With Inspire Me I hope to inspire you as much as I ve been inspired in writing it.
