

Spiral Forecasting: Nature's Inside Track to Future Success (Paperback)

Filesize: 3.15 MB

Reviews

Very beneficial for all type of individuals. I have got study and so i am certain that i am going to going to read through once again once again later on. I am just happy to let you know that this is basically the greatest publication i have study during my own daily life and could be he finest pdf for ever.

(Prof. Nelson Farrell MD)

SPIRAL FORECASTING: NATURE S INSIDE TRACK TO FUTURE SUCCESS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What does a Category 5 Hurricane and a Viral Video have in common? A mega-energy source to make things happen! Can we release this power and put it to work? You bet! In the tradition of Malcolm Gladwell s *The Tipping Point* and Steven Johnson s *Emergence*, Nahu, a psychic counselor of 40 years, goes on to explore the principle in nature that guides growth and self-organization. In this ground-breaking book, he makes the leap between knowing how things come into manifestation to predicting their future success rate. Forecasting is a billion dollar industry with the bulk of the money being made in business, economic and financial forecasting. Therefore, it goes without saying that those individuals or companies which can accurately predict the future have the space-time edge on their competitors. With numerous practical exercises at the end of every chapter, the book provides the insights and the tools necessary to begin securing a better future in what can be record time.
