

Military Decision-Making Processes - Case Studies Involving the Preparation, Commitment, Application and Withdrawal of Force

Filesize: 9.67 MB

Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Tara Jerde)

MILITARY DECISION-MAKING PROCESSES - CASE STUDIES INVOLVING THE PREPARATION, COMMITMENT, APPLICATION AND WITHDRAWAL OF FORCE

McFarland Publishing. Book Condition: BRAND NEW. BRAND NEW Laminated Full-Size Softcover - 272pp - Index - Biblio - Notes - Illustrated - Major General Isaac Ridgeway Trimble, one of the oldest and more eccentric officers involved in the Civil War, made himself a favorite of Stonewall Jackson through his courage and stubborn energy. Born to a Quaker family, Trimble spent his childhood on the American frontier. After graduating from West Point, he served in the Old Army and then involved himself with the growing railroad industry of the 1830s, living at the forefront of American modernization. As the war began, he sided with the South, burning railroad bridges north of Baltimore to deny Washington the support of Union troops, and then moving to Virginia. He enlisted in the Engineers and constructed battery emplacements. Commissioned brigadier general in late 1861, Trimble distinguished himself at Cross Keys, Gainess Mill, Manassas, and Gettysburg; was involved in the Baltimore riots; and spent time as a prisoner on Johnsons Island. This biography covers Trimbles personal life and career with both the railroad and the military. Simultaneously, it serves as a case study of an American who chose to side with the South. Before the war, Trimble traveled freely between states and showed no early indication of a regional attachment. The work uses Abraham Maslows motivation model, the hierarchy of needs, to reconcile Trimbles self-interest with his need to belong to a community. It also raises various questions related to Southern history, including community identity, modernization, and the concept of the "New South." A Brand New Quality Book from a Full-Time Bookshop in business since 1992!.
