New Street Communications, LLC, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. All modern American literature comes from one book by Mark Twain called HUCKLEBERRY FINN. . It s the best book we ve had. . There was nothing before. There has been nothing as good since. - Ernest Hemingway Since its publication in 1884, Mark Twain s THE ADVENTURES OF HUCKLEBERRY FINN has been praised as the great American novel, the touchstone of modern American fiction, and the first great experiment in American literary realism. It has also been much maligned and frequently banned - in its own time for the outrage of presenting a black as a friend operating on equal terms with a white, and in our era as a racist screed decried for its use of the racial epithet nigger. In this compelling and insightful examination of Twain s classic, Dennis Doherty (SUNY, New Paltz) shows both of these criticisms to be simplistic. Doherty reveals the book as a seminal picaresque coming of age journey - a quest for truth - and clearly demonstrates how the novel speaks directly to the heart of racism not only in the past, but in the present.
