Susan Creek Books. Paperback / softback. Book Condition: new. BRAND NEW, Touched by the Dragon's Breath: Conversations at Colliding Rivers, Michael Harrington, "Touched by the Dragon's Breath" is based on actual conversations that took place between the author and his mentor, John Redstone, splashed against the backdrop of Colliding Rivers in Southern Oregon. These weekly discussions, spanning more than three years, explain in detail the significance of 2012, the Photon Belt, Zero Point, the light wave of creation, and the 50-year, Time/Space Overlap Zone between the Piscean Age and the Age of Aquarius. In two related conversations about the Seedbed and the Mirror of Life, John Redstone reveals his step by step approach to cleaning up the Belief System, a key element in preparing for the global frequency shift, commonly called the Shift of the Ages, that will usher in a new Golden Age. In a separate chapter highlighting prophecies from the Hopi, Maya, Aztec, and Tibetan cultures, the author substantiates many of Mr. Redstone's views on 2012 and the Photon Belt, a spectacular band of multi-dimensional light, secretly known to some.
