Reviews

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).
(Tevin McClure)

BERLINISCHE MONATSSCHRIFT (3)

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 54 pages. Original publisher: Quantico, Va. : Critical Incident Response Group (CIRG), National Center for the Analysis of Violent Crime (NCAVC), FBI Academy, 2000 OCLC Number: (OCoLC)45116223 Subject: School violence -- United States -- Prevention. Excerpt: . . . Threat lacks realism. Content of the threat suggests person is unlikely to carry it out. Medium Level of Threat: A threat which could be carried out, although it may not appear entirely realistic. Threat is more direct and more concrete than a low level threat. Wording in the threat suggests that the threatener has given some thought to how the act will be carried out. There may be a general indication of a possible place and time (though these signs still fall well short of a detailed plan). There is no strong indication that the threatener has taken preparatory steps, although there may be some veiled reference or ambiguous or inconclusive evidence pointing to that possibility--an allusion to a book or movie that shows the planning of a violent act, or a vague, general statement about the availability of weapons. There may be a specific statement seeking to convey that the threat is not empty: Im serious ! or I really mean this ! High Level of Threat: A threat that appears to pose an imminent and serious danger to the safety of others. Threat is direct, specific and plausible. Threat suggests concrete steps have been taken toward carrying it out, for example, statements indicating that the threatener has acquired or practiced with a weapon or has had the victim under surveillance. Example: At eight o'clock tomorrow morning, I intend to shoot the principal. Thats when he is in the office by himself. I have a 9mm. Believe...
