CROCHETING TEDDY BEARS: 16 DESIGNS FOR TOYS (PAPERBACK)

Dover Publications Inc., United States, 1984. Paperback. Condition: New. Language: English. Brand New Book. Every child (and many an adult!) has at one time longed to have a cuddly, lovable Teddy Bear of his own. From Teddy s inception in 1902 after President Teddy Roosevelt spared the life of a cub while on a hunting expedition the popular toy continues to thrive in the hearts and homes of children everywhere. Now needlecraft designers Barbara and Ruth Jacksier offer needleworkers (including beginners) 16 original Teddy Bears that are easy and fun to crochet. Here is just a sampling of the irresistible bears you can make: Panda Bear; Koala Bear; Polar Bear; Goldilocks and The Three Bears; Shaggy Bear; Honey Bear; Preppy Bear; Roosevelt Bear; and more. Complete directions for making each Teddy are accompanied by a photograph of the finished bear, diagrams where necessary, finishing details for eyes, nose, etc., and full-size patterns for all clothes to be sewn rather than crocheted. What s more, the introduction, including an explanation of yarn substitution and advice on notions, is followed by illustrated instructions for all crochet stitches used in any of the projects, conversion charts, and a list of crochet abbreviations used throughout. These very special bears make very special gifts for very special occasions. Best of all, your Teddy will have the warmth and charm of a homemade gift, to be loved and treasured for years to come.
