### **Reviews**

*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

International Debate Education Association. Paperback. Book Condition: new. BRAND NEW, Focus on the Future: A Career Development Curriculum for Secondary School Students, Zark VanZandt, Nancy J. Perry, This book offers a curriculum that helps secondary students prepare for careers in the 21st century. Through a series of 36 lesson plans that stress learning through activities, students discover their interests, abilities, values, and aspirations and relate them to occupational choices. They explore career and educational options and develop a career plan that outlines the preparation required to pursue their career choice. Each lesson plan contains learning objectives, materials needed, teacher preparation tips, step-by-step activities, activity or resource sheets, and discussion questions. Activity and resource sheets are available for downloading from the Web site.
