RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 20 pages. OCLC Number: 77038540 Excerpt: . . . initially presented in workshops attended by representatives from the public and private sectors who critique the preliminary findings. The panels written reports are distributed by the National Technical Information Service (NTIS), where they have become best-sellers with leading U. S. and Japanese firms, universities, and the science counselors of the embassies in Washington. Thousands have received gratis copies because of workshop attendance, hosting of panels, etc. The results are also presented in books and articles by the panelists. Studies are usually the subject of national press accounts; a sample of these publications is listed in the bibliography. Although ITRI is planning to try out a number of revisions to this methodology in the coming year, this approach has yielded successful results in over 30 studies conducted todate involving a dozen countries and over 200 panelists and o ther participants. Scope of Coverage and Dissemination Beginning in 1990, as mentioned above, ITRI began to broaden the geographic focus of the studies, which has been accomplished through WTEC. As interest in the European Community (now the European Union)...
